VERSE

You're my courage
I don't have to be afraid
You're my fortress
No matter what comes my way
You're my treasure forever
Yes we'll be together always

CHORUS

Even when the days get harder
I know You'll rescue me
Even when the sky is darker
I know You'll bring me peace
You are my strength
You are my Savior, oh
Even when the road gets longer
I know You'll be with me
Even when the waves crash harder
Your face is all I see
You are my strength
You are my Savior, oh

VERSE 2

You are with me
Every single day
Through the darkness
Oh You lead the way
You're my treasure forever
Yes we'll be together always

BRIDGE

Every time I fall You pick me up
You fight for me You overcome
You bring me peace You give me love
For You I sing to You I run
I praise Your name for all You've done
You are my strength
You are my Savior, oh
