VERSE

Jesus you have been so faithful
Jesus you have been so true
I will be forever thankful
'Cause I've never had a friend like You

PRE-CHORUS

Help me to be
Who You've been to me
To everyone I see

CHORUS

Let us love one another
With a love like no other
Yeah that's the way You love us God
Never turn away
You are with us every day
Yeah that's the way You love us God
Your love has always been
Beginning to end
There's never been a better friend
So let us love one another
With a love like no other
Yeah that's the way You love us God

VERSE 2

You're with me in the darkest valley
You're with me on the mountain-top
I'm thankful that You'll never leave me
And that Your love will never stop

BRIDGE

I wanna thank You for being a friend
Who's always by my side
I wanna thank You for the way
You've loved me all my life
(repeat)
