VERSE 1

Before the day
I took a breath
You had a plan
For my every step
You promised to
Always be
By my side
I believe that

PRE-CHORUS

You are the way
You are the truth
You are the life
So I sing this to You

CHORUS

You keep Your promises every day
I will believe in everything that You say
Yeah in the dark I know You're making a way
Jesus I will trust You
You're always good in everything that You do
And I know everything that You say is true
Every moment You are leading me through
Jesus I will trust You

VERSE 2

I wanna be
Honest and true
And do what's right
The way You do
You're teaching me
To take a stand
And live for You
Cause I believe that

BRIDGE

Even in the moments I feel alone
I know I can
Trust that You're working
Holding my world in Your hands
