VERSE

You never turn away
You never leave my side
Every time I call Your name out
Just to find
That You're already right here with me
Never been alone
I can trust You with my heart
'Cause this I know

CHORUS

You are always faithful
You loved me from the start
No matter what I'm facing
I will trust You with my heart
You are more than able
To lead me through the dark
Your love is never-failing
I will trust You with my heart
Whoa-oh-oh I will trust You with my heart

VERSE 2

There are days when I feel I need a friend
And then I hear Your voice reminding me again
That You're already right here with me
Never been alone
I can trust You with my heart
'Cause this I know

BRIDGE

No matter what may come
No matter what I go through
God You are
Never gonna fail me
I will trust You with my heart
(repeat)
